Docket No. CP2018-92

**USPS NOTICE OF ERRATA TO
PRIORITY MAIL CONTRACT 391**
(December 11, 2019)

The Postal Service hereby provides notice of a revised notice of amendment for Priority Mail Contract 391, originally filed in this docket on December 11, 2019. The revised notice of amendment corrects a typographical error in the effective date of the amendment to the contract at issue; whereas the original notice of amendment filed in this docket stated the amendment would become effective one business day following the day that the Commission completes its review of this filing, the revised notice of amendment correctly states the amendment would become effective two business days following the day that the Commission completes its review of this filing.

Respectfully submitted,
